SIZZLING SUMMER 2022

CELEBRATING GENEROSITY

114 local community groups, individuals and charities received gifts totalling more than \$310,000 this financial year.

Trustees made the difficult decision to cancel our annual awards functions in December due to Covid restrictions. Ever flexible and nimble, we are working with individual Donors to organise smaller gatherings (where appropriate) and visit the workplaces of charities and community organisations to make presentations.

Geyser Chairman, Helene Phillips and Ambassador, Martin Hampson joined Donor, Margriet Theron at a celebration in Rotorua to present six 2021 Speech NZ scholarships.

Give Back and Get Back before 31 March

With the summer holidays behind us, many of you will be making plans for the end of the financial year. Here at the Geyser Community Foundation, we'd like to help you get the most out of your generosity.

Donors get a real sense of pleasure from seeing their gifts at work and donations made before 31 March qualify for a 33.33% tax credit (up to the level of your taxable income).

Our Give Back and Get Back campaign highlights the benefits that giving back to the community you love can provide. Many of our donors like to support their favourite causes at this time of the year and receive an immediate tax credit.

Giving to charity is not just for the wealthy; most of our supporters are very modest people who are passionate about their local community and want to make a difference. Your donation has a direct and meaningful impact in our local community. The 33.33% tax credit is a really positive incentive to make a donation before 31 March. But wait there's more ...

Give and get your tax back.

Donate before March 31st and get a 33.33% tax credit this year.

Supercharge your generosity

Did you know that around 60% of New Zealand donors don't claim their donation rebates? Most people don't know they are eligible for rebates or just never get around to claiming.

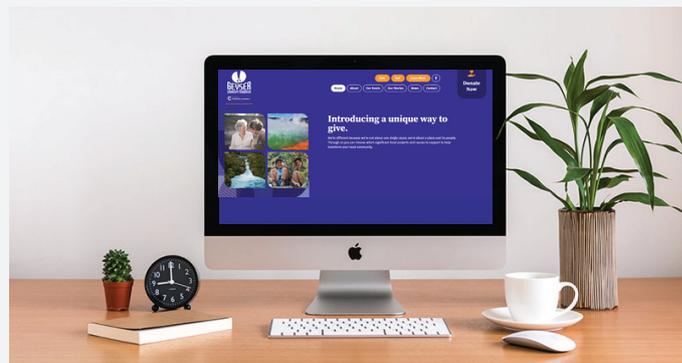

Want a hassle-free way to sort your rebates? And donate \$5 to the Geyser Community Foundation at no cost to you? Our partner, Supergenous, makes it simple.

We already think your generosity is awesome, and by donating your rebates to us, it means you can extend that generosity even further, so we can continue to do good work on your behalf in our local community.

All you need to do is sign up, list who you've given to, enter your details (like your IRD number) and for a small fee they'll do the rest of the admin for you.
